I have been involved with Numismatics for many years, initially starting in 1988 with precious metals refining and casting, gold and silver coins with the Mint, and following this, working with one of Australia's largest and most reputable Numismatic organisations. I have had my own business since 2003, am a member of the Australian Numismatic Dealers Association and an agent for the Royal Australian Mint. I look forward to the opportunity to do business with you either over the web, the phone, or in person in the retail outlet.
