You may have inherited a collection, or for a variety of reasons, wish to sell your own collection.

We offer a discrete, professional service and can offer to buy entire collections as well as offering useful advice.

You can bring your collection to our retail shop and we can also arrange to come to you if you are in Melbourne, and in many instances, country Victoria.

I am a member of the Australian Numismatic Dealer's Association which is only open to experienced dealers of good reputation.

See the [Contact Us](#) area to arrange a meeting.
